

Inauguration Readers Club - Report – 20-07-2018

Library and Information Services Club seminar has been scheduled for July 20, 2018. Dr. S. Sukumaran, a previous Head of English, extended an invitation to present a guest lecture on this occasion. He highlighted how important it is to establish a regular reading habit and how enjoyable it can be to read a book. Students from the Library and Information Services Club took part in the activities. The winners of the Librarian's Day competition this year received awards for taking first place in various events, including essay, drawing, speech, verse writing, and quiz challenges.
