

REPORT: Kuriniji Info Tech

27.04.2022

One week placement training program was conducted by the Kuriniji Infotech pvt. Ltd for the final year students of CS&IT, BCA and computer science students from 27.04.2022. 20 students of our department had participated in this program and they were given good training. They clearly gave explanation about their platform and services. They conducted the test for participated students and finally four students (Tamil selvan, Rangunandhan, Muthu, A.Manikandan) are got selected in that company.
