## **INTRODUCTION**

The journey from school to college marks a transformative phase in a student's life—one that opens new academic, intellectual, and social avenues. Recognizing the importance of this transition, Cardamom Planters' Association College, Bodinayakanur, organized a comprehensive Five-Day Student Induction Programme – 2025 from 30th June to 4th July. This programme was thoughtfully curated to guide first-year students as they step into higher education, helping them ease into the campus environment with confidence, clarity, and enthusiasm.

## **STUDENT INDUCTION PROGRAMME**

The Induction Programme was not merely an orientation, but an immersive experience that introduced students to the ethos and functioning of the institution. It aimed to foster a sense of belonging among the newcomers and help them adapt to the academic, cultural, and social environment of college life. The programme was planned with the goal of engaging students in a series of meaningful academic, motivational, ethical, and career-oriented sessions.

Over the course of five days, 342 students participated actively in a variety of sessions conducted by distinguished academicians, subject experts, legal professionals, law enforcement officers, and institutional mentors. The sessions addressed vital themes such as time management, leadership, self-employment, legal literacy, emotional resilience, communication skills, women empowerment, and the importance of goal setting. Students were also introduced to various student support services, including the library, placement cell, clubs, cells, and co-curricular committees that enrich campus life.

What made the SIP 2025 unique was the holistic approach adopted, following the SAGE framework—Socializing, Academic Orientation, General Awareness, and Ethics & Values. Every session was designed to touch upon one or more of these pillars, offering students not only information but inspiration and direction. In addition, experienced faculty members introduced students to campus clubs and associations such as NSS, NCC, ECO Club, Science Club, Road Safety Patrol, Anti-Drug Club, Women's Cell, and many more, encouraging them to engage in activities that build character and civic responsibility.

The presence of dynamic resource persons such as Dr. M. Manoharan, Prof. N. Sugumaran, Mr. M. Venkatraman, Mrs. K. Krishnaveni, Dr. R. Kalirajan, Dr. S. Sagadevan, and Mr. G. Shanmugavel elevated the intellectual quality of the programme. Their talks were interactive, realistic, and grounded in experience, which resonated well with the young audience.

In essence, the Student Induction Programme 2025 laid a strong foundation for the students' academic journey and personal development. It ignited in them a sense of purpose, a spirit of inquiry, and a commitment to lifelong learning. The five days served not only as a formal introduction to the institution but as an invitation to dream, to lead, and to grow.

## **STUDENTS INDUCTION COULD COVER A NUMBER OF DIFFERENT ASPECTS (SAGE)**

The SIP at Cardamom Planters' Association College was built on the holistic framework of SAGE, addressing four integral dimensions:

S – Socializing: Encouraging healthy peer interaction and faculty-student rapport, helping freshers feel included and connected.

A – Academic Orientation: Offering clarity on the curriculum structure, credit system, assessment methods, and academic expectations.

G – General Awareness: Introducing students to institutional services such as the library, placement cell, clubs, grievance redressal mechanisms, and digital platforms.

E – Ethics and Values: Instilling a strong foundation in personal integrity, punctuality, mutual respect, and responsibility as a student and citizen.

Through this approach, students begin their academic journey not only with knowledge but with a value-based mindset and a sense of belonging.

## **OBJECTIVES OF THE PROGRAM**

The key objectives of the Student Induction Programme 2025 were:

- ✓ To orient students to the vision, mission, and academic culture of the institution.
- ✓ To familiarize them with campus facilities, student support systems, departments, and key administrative processes.
- ✓ To build confidence and reduce anxiety, helping students feel more prepared to face academic challenges.
- ✓ To foster a sense of identity and responsibility, encouraging students to align their personal goals with broader societal values.
- ✓ To introduce opportunities beyond academics, including extension activities, social outreach programmes, sports, arts, and student governance.
- ✓ To promote leadership, innovation, and communication, essential qualities for holistic development and future employability.

# வாய்ப்புகள் தேடி வரும் வகையில் திறமையை வளர்த்துக்கொள்ள வேண்டும்

## நடிகர் சண்முகராஜா அறிவுரை

**போடி, ஜூலை 1-**  
'வாய்ப்புகள் உங்களை தேடி வரும் வகையில் மாணவர்கள் திறமைகளை வளர்த்து கொள்ள வேண்டும்,' என போடி சி.பி.ஏ., கல்லூரியில் நடந்த முதலாம் ஆண்டு மாணவர்களுக்கான வழிகாட்டுதல் நிகழ்ச்சியில் நடிகர் சண்முகராஜா பேசினார்.

அவர் மேலும் பேசுகையில், 'வகுப்பறையில் பேராசிரியர்கள் நடத்தும் பாடங்களை மனப்பாடம் செய்து, தேர்வு எழுதி

மதிப்பெண்கள் பெறுவதை விட புரிந்து படித்து தேர்வு எழுதும் வகையில் இருக்க வேண்டும்.

மாணவர்கள் பிடித்த துறைகளை மகிழ்ச்சியுடன் தேர்வு செய்து இரவு, பகல் பாராமல் கடின உழைப்பு, விடாமுயற்சி, தன்னம்பிக்கை உடன் படித்தால் வாழ்வில் எளிதில் வெற்றி பெறலாம்.

மாணவர்கள் தங்களுக்குள் இருக்கும் ஏற்றத்தாழ்வுகளை மறந்து தனித்துவமாக, நம்பிக்கையுடன்

செயல்பட்டால் மிகப்பெரிய பங்களிப்பு பெறுவதற்கான வாய்ப்பை பெறலாம்,' என்றார்.

இவ் விழாவிற்கு கல்லூரி தலைவர் சுப்பிரமணியன் தலைமை வகித்தார். செயலாளர் புருஷோத்தமன், நிர்வாகக் குழு உறுப்பினர் சிவப்பிரகாசம், முதல்வர் சிவக்குமார், பேராசிரியர் ஞானசேகர் முன்னிலை வகித்தனர். பேராசிரியர்கள் சுமையா பானு, கிருஷ்ணகுமார் வரவேற்றனர்.

## **OUTCOMES OF THE PROGRAMME**

The Student Induction Programme – 2025 at Cardamom Planters' Association College, Bodinayakanur proved to be an enriching and highly impactful initiative for the newly admitted undergraduate students. Spanning five structured days of interactive sessions, departmental briefings, and resource awareness modules, the programme successfully met its intended objectives and yielded several noteworthy outcomes in terms of student integration, institutional awareness, and holistic engagement.

### **1. Seamless Student Transition and Integration**

The primary goal of the SIP was to ease the transition from school to college. The programme created a welcoming environment that helped 342 first-year students feel confident, informed, and emotionally settled. The structured sequence of sessions introduced them to the values, expectations, and academic responsibilities at CPA College, thereby removing initial fears and confusion often associated with entering a new educational setting.

### **2. Increased Awareness of Institutional Resources**

Students were effectively introduced to the rich academic and co-curricular ecosystem available at the college. Through the College Resources Induction Programme, they gained hands-on information about:

Library and Digital Access

Career Guidance and Placement Services

Health and Counseling Facilities

Online Learning Platforms (SWAYAM, NPTEL)

NSS, NCC, ECO Club, and other Student Forums

This comprehensive awareness not only empowered the students to navigate the institution more efficiently but also motivated many to actively join clubs and committees.

### **3. Academic Preparedness and Direction**

Sessions on goal setting, self-employment, competitive exams, and employability skills were instrumental in guiding students toward clear academic and career objectives. Expert talks by professionals such as Dr. R. Kalirajan, Dr. M. Manoharan, Prof. N. Sugumaran, and Mr. R. Muthuganeshan helped students understand the practical relevance of their academic journey, including the importance of communication, planning, and self-discipline.

#### 4. Enhanced Moral, Social and Civic Responsibility

Sessions such as “A Crime-Free Life” by Mrs. K. Krishnaveni, and “Awareness of Indian Laws” by Mr. M. Venkatraman, significantly raised student awareness about legal rights, personal safety, and civic responsibility. Talks on anti-drug awareness, women’s rights, and environmental responsibility further instilled ethical values and a sense of social consciousness.

#### 5. Leadership and Personality Development

With dynamic sessions like “Winning is a Habit” and “The Art of Instilling Leadership Traits”, students were encouraged to take initiative, pursue excellence, and develop leadership skills. The resource persons connected well with the young audience through relatable narratives and practical wisdom. As a result, students showed enhanced self-confidence and a willingness to engage in leadership roles within student bodies.

#### 6. Active Faculty and Student Interaction

The involvement of over 30 faculty members across departments, clubs, and committees fostered early rapport between staff and students. This interaction laid the foundation for mentorship, academic support, and long-term engagement, which is crucial for student retention and success.

#### 7. Overall Programme Effectiveness and Reach
