| CURRICULAR ASPECTS | | |
| 1.1 - Curricular Planning and Implementation | | |

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The institution is affiliated to Madurai Kamaraj university, Madurai since 1974. The courses are under CBCS with semester pattern. At the beginning of every academic year the principal conducts meeting with all the faculty members to develop strategies for effective implementation of curriculum as well as co-curricular and extension activities. The mechanism of curriculum was prepared by the Madurai Kamaraj university is well adhered and respective syllabus has framed was followed for students after serious preparation. As an affiliated institution we are always in tune with the latest trends in curriculum delivery and guidelines from the governments / university.

The college faculty can discuss their problems/issues, if any; can talk over in the meetings of the board of studies, academic council the senate and the syndicate of the Madurai Kamaraj university. The university also regularly organizes refresher courses, orientation programmer and workshops to develop the knowledge and to improve the teaching aptitude of the teachers. The college also encourages the teachers to take part in the orientation / refresher courses / workshops / seminars organized by the affiliating university / other universities to be in trends in education and to modernize their teaching practices. The institution has implemented outcome based

education in a successful way and the result is the classrooms are student centred classrooms.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The academic calendar issued by the affiliating university is the blue print for the development of the institution level action plan. Keeping in mind the university level academic calendar, the institution level action plan and the number of working days available, the syllabus is divided into modules which are to be finished within a given deadline.

- 1. The institution academic calendar is prepared for every semester with the active involvement of the institution council members.
- 2. The dates for various events presented in the calendar are rarely changed. The institution academic calendar is published in the institution website for easy access to the students.
- 3. The institution prepares a comprehensive academic calendar for the entire academic year well in advance

Adhered for preparing of examination:

- The internal examinations are scheduled taking into account the time required for the completion of the syllabus fixed for the examinations.
- 2. Periodical examinations are conducted for the students and they are evaluated by the respective staff members.
- 3. Assessment of the students by way of university semester examination results and institution internal examinations.
- 4. Thereafter, in the general staff meeting, the institution plans its semester academic schedule which clearly mentions the topics to be taught and number of working days allocated to respective modules and the extent of syllabus to be tested in various internal examinations.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

CPA College follows madurai kamaraj university's curriculum. All of the programmes' curricula include value education and environmental science courses, which effectively instil in pupils a clear understanding of gender equality, ecological sustainability, and human values. The College effectively integrates cross-cutting issues such as gender, environment and sustainability, human values, and professional ethics into practise by involving students in various clubs such as the eco club, science and communication club, human rights club, women cell, career guidance & placement cell, equal opportunity centre, patti - thattha manvar kulu, which allow them to put what they have learned in their curriculum into practise.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

To identify their knowledge and skill, each department conducts an entry level test to first-year students, as well as internal assessment exams and semester examinations to second- and third-year students. Before the of the regular teaching programme, the pupils' abilities and IQ skills were examined. Based on the methods described above, they are grouped into advanced and slow learners.

Special Programs for slow learners:

- Departments conduct remedial classes particularly for the slow learners and those students who are at the verge of dropping out due to arrear subjects.
- To strengthen their basic understanding knowledge of the subject, lecture notes and extra reading materials were supplied over whatsapp web, google class room.

Special programs for advanced learners:

- Mentoring them to participate in group discussions and technical quizzes in order to improve their analytical and problem-solving skills and, as a result, their presentation skills.
- Opportunities are provided to take up mini projects, attend seminars and workshops, present research papers in conference, publish articles in reputed journals, appear for competitive examinations, go for internship training, etc.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Experiential Learning

- Final year students of every department undertake a study tour which gives practical understanding about group behaviour in a social setting with an appreciation for cultural diversity.
- Final year BBA students undertake industrial based internships.
- Final year science & commerce students undertake project works in final semester for experimental learning. Also they encouraged to on job training and internship programme.

Participative Learning

- Students gain understanding about the various organisational methodologies involved in the successful conduct of the events, thus increasing their self confidence and zeal to achieve.
- Assignments and class seminar components of continuous internal evaluation facilitate participative learning by the students.
- Participation in seminars, workshops, projects, competitions and group discussions, both within the campus and outside provides rich participative learning for students.

Problem Solving Methodologies

 Curriculum of the programmes offered by the university has incorporated the problem-solving methodologies as per the contextual requirements. This improves the students' capability to observe, understand, analyze, interpret, find solutions, and perform applications that lead to a holistic understanding.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Seven ICT - enabled smart classrooms and three ICT - enabled labs with projectors are available at the institution.

Teachers use a variety of ICT - enabled tools to improve teaching - learning quality, including:

- Faculty members use google meet to take online classes.
- Learning material, lab submissions and evaluations, assignments, and other course-related information are managed and posted using google classroom.
- Google forms are used to conduct online quizzes to students.
- Faculty delivers lectures using power point presentations in order to improve the effectiveness of the teaching-learning process.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college is affiliated with madurai kamaraj university and follows its exam pattern. At the beginning of each semester, the principal conduct a staff council meeting to determine the common centralised internal assessment exam schedule in accordance with university guidelines. The academic calendar provide the internal assessment schedule. The course teacher conducts two tests, quizzes, seminars, and assignments as part of the continuous internal evaluation. Internal tests are administered centrally according to a common schedule set by the principle. Apart from the main internal assessment, the staff conducts unit-wise tests for students whose performance is poor. All test and assignment marks are recorded in the department's internal mark register. Each department implements reforms such as a well-planned centralised schedule, common seating arrangements, hall invigilation, typed question papers in the prescribed format, attendance tracking, and evaluation of response scripts. The Principal discusses the internal assessment results with HODs after each internal assessment and takes relevant measures to improve performance.

| File Description | Documents |
|---------------------------------|------------------|
| Any additional information | <u>View File</u> |
| Link for additional information | Nil |

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

 The internal exam committee, which is comprised of the coordinator, faculty representatives from several departments, and is chaired by the Principal, deals with examinationrelated grievances.

Annual Quality Assurance Report of C.P.A. COLLEGE

- The course teacher presents the students with consolidated CIE marks in order for them to confirm that the marks are correct. The teacher checks the marks for any discrepancies and makes any necessary corrections.
- If a student feels unfairly evaluated, he or she should take the matter to the course teacher, who will justify the situation on a case-by-case basis. If the student is not satisfied with the explanation, he or she should approach the HoD, who will then seek clarification from the course teacher and resolve the problem. In addition, if the problem is not resolved, it is referred to the principal, who has final power over the decision.
- If any further revisions are required after the final submission of internal marks on the madurai kamaraj university website, the course teacher contacts the university through the principal for timely correction.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The knowledge, skills, talents, and attitudes that students develop while pursuing graduate and post-graduate courses are referred to as programme and course outcomes. Our college follows the curriculum of Madurai Kamaraj university. Specific learning outcomes for various courses are included in each discipline's curriculum and are available on the college website.

The institution uses the following mechanism to communicate learning outcomes to teachers and students:

- The syllabus and learning outcomes are available in hard copy in the departments for teachers and students to reference.
- At the beginning of the semester, the course teacher discusses the programme and course outcomes with the students.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Measures for evaluating the attainment of program and course outcomes include:

- The level of attainment of the outcomes is calculated using the students' performance in external examinations during the semester in each subject.
- Students' knowledge and skills in their subject, as well as their aptitude for creative and inventive thinking, are assessed through participation in academic competitions and project work.
- Attainment of outcomes are also evaluated by students progression to higher studies.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The College provides an environment that encourages creativity and incubation. Guidance and necessary facilities are provided to encourage students to develop technological inventions that will meet the needs of society. Workshops, seminars, and guest lectures on research technique are held to encourage students to pursue careers in research. Final-year UG and PG students are assigned project work to involve them in the preliminary level of research. Industrial visits are arranged to spark students' interest in the research field.

The College's Entrepreneurship Development Centre (EDC) aims to help students realise their dreams of becoming entrepreneurs. This cell focuses on raising awareness and encouraging students in developing unique business venture strategies. There will be interactive seminars with successful entrepreneurs, as well as awareness and skill development programmes. The college offers UGC-sponsored diploma courses NSQF to people of the local community of whatever age, gender, or economic background.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The institution organizes a variety of extension activities to benefit the local community and to educate students about community issues. Our college's students actively participate in social service activities that contribute to their overall development. The college engages in several extension activities in the community through NSS, NCC, RRC, and YRC. NSS, NCC, RRC, and YRC held a rally to raise vaccine awareness among local people.

As a precautionary measure in this pandemic circumstance, the NSS Unit organised kabasura kudineer chooranam for college students on campus. Kabasura kudineer chooranam was distributed to students from the surrounding rural areas. All of the activities stated above had a beneficial impact on the students, and they helped to create student community bonds, leadership abilities, and self-confidence. It also aided in developing students' latent personalities and raising student awareness. The College has adopted the villages namely munthal, kottakudi, kurangani, mudhuvakkudi & solaiyur under its Unnat Bharath Abhiyan (UBA). The college received "District Green Champion award" for the academic year 2020-2021 from Mahatma Gandhi National Council of Rural Education, Ministry of Education, Government of India.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The college follows systematic procedure in maintaining and utilizing the laboratory, library, sports, computers and classrooms. Every laboratory maintains stock register to enter items. internal stock verification is done by a committee constituted by the principal. Consultancy works are carried out in the laboratories. library books are assigned with call numbers (Dewey Decimal Classification) are arranged in respective subject area. Books can be searched through online public access catalog (OPAC) facility. Library stocks are classified according to subjects such as History, Economics, Commerce, Mathematics, Computer Science, Physics, Chemistry and Competitive examination. E-books and E-journals have been searched by the students through INFLIBNET - NLIST consortium. The outdoor sports facilities are used to hold the MKU inter collegiate tournaments, District level tournaments and the college annual sports day in every year. The indoor stadium and fitness centre enable the students and staff to keep fit. Inter and intranet are maintained by structured and OFC cabling. The branded computers are procured for labs with adequate power backup facilities (UPS) and every student is motivated to pursue course in NPTEL, SWAYAM and other online education platforms. All classrooms have adequate furniture, LED lights, fans and multiple electrical points. After the working hours the classrooms are utilized to conduct department association meetings, competitions and certificate courses for students.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, cocurricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

College student council is functioning in an excellent way under the leadership of college principal, senior professors coordinate the student council meeting to receive students grievances and way to solve the grievances with the student representatives. Student representatives are chosen among the students of a class with meritorious and punctual students. In active student council is vibrant in the college. Every department has a committee which consists of the faculty members and students. Each committee has organisers to organize the occasions of department and college. These committees from every department involve themselves with teacher's day celebration, independence day celebration, christmas and new year celebration, women's day celebration our college has motivated the students to attend and allows them to participate intercollegiate from various colleges. Every year our college has been conducting cardo-comp, are split into four houses namely, cardamom, coffee, silk cotton and Tea houses. Each house is manned by professors. The house members reach out to the students and motivate them to take part in the competitions. There are a coordinator and joint co-ordinators with the principal being the chief co-ordinator and the secretary and correspondent being the patron to oversee the conduct of the events. The college management for its part contributes liberally and unstintingly for the award of prizes, certificates and rolling cups and trophies a lustrous instance of exemplary collaboration.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The management, principal, members of IQAC, staff, student representatives, alumni association and many committees are knitted perfectly together to design and execute the plans in the hierarchy of governance. HODs are responsible for allocating subjects to the teachers concerned and framing time table as per the workload. Both students and staff are welcome to offer their suggestions which will take the institution to glory. Many of their suggestions are being implemented and the outcomes are being edited periodically. The management converse staff meeting and open democratic articulations are voiced in the interests of the development of the institution. Staff members are appointed as coordinators, advisors etc to channelize the bubbling energy of the youth in making them participate in the programmes. The management also often takes part in the activity by presiding over the functions or flossing off the programmes. They also extend financial support. The college has a healthy rapport with many local bodies of administration like district administrations, police department, government and private hospitals, forest department and religious organizations. Apart from the government bodies the college has tie ups with the clubs like lions, rotary, cosmopolitan and other NGO's.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The institution has an effective leadership with good virtues and values. The institution makes formal and informal arrangements to coordinate the academic and administrative planning and implementation in achieving her vision. The college has well defined participatory management system. The Managing board is the apex body. The Board at the highest level gives enlightened leadership to the college committee and the office bearers. The College committee which is a statutory body supervises the academic affairs and internal administration of the institution. The College committee, besides the managing board members, comprises the principal, representative from the university and the two senior faculty members of the institution. The day-to-day administration is governed by eight elected representatives of the college managing board namely, president, vice-president, secretary & correspondent and five directors. The Management meets every week to take stock of the activities of the institution.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

Due to the pandemic, all educational institutions were closed for the academic year 2020-2021. Our Madurai Kamaraj university instructed all college principals to continue teaching via online method after two months. All of our institution's quality education initiatives and policies were effectively implemented by staff members through an online class awareness programme. Staff formed whatsapp groups & google classroom for individual sessions and used efficient teaching approaches. Every month, an online work report is submitted to the principal. In learning approach, self-learning

activities were also implemented.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The college's management Committee is very concerned about the college's development, recommending to the management the finances needed for buildings, scholarships, the start of new courses, and other amenities. A college secretary with extensive academic expertise and a dedication to promoting excellence and standards. The principle is selected based on qualifications and experience, in accordance with UGC and university norms, after a thorough process of advertisement, interview, and expert selection committee recommendation. The Head of the department, who is appointed based on his or her experience, performance appraisal, seniority, commitment, and devotion to the management, is in charge of departmental leadership. HODs hold fortnightly departmental meetings with proper minutes and plan and execute their departmental activities in a collaborative and effective manner. Appointments to teaching positions are made solely on the basis of the candidates' merit, providing they meet the UGC / prescribed University's qualifications. The positions are formally posted, inviting applicants, and appropriate candidates are appointed based on the selection committee's interview.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Teaching staff:

IQAC designs and collects teacher performance appraisal forms. The performance appraisal form collects data on educational advancements, conferences attended, papers published, research completed, prizes / recognitions received, and participation in various academic and administrative bodies both inside and outside the college. The principal receives the outcomes of faculty performance. The principal provides faculty mentoring to those who require improvement and more direction.

Non-teaching staff:

Every year, IQAC reviews the non-teaching personnel using a performance appraisal system. The principal monitors the performance of non-teaching staff and gives them continuous corrective measures.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The optimal utilization of resources :

- In every financial year, a comprehensive budget is prepared with the approval of the managing board.
- Payments are made by cheques or demand drafts only.
- Payments are made to the suppliers of laboratory equipment only after receiving the goods and verifying the stipulated quality norms by the respective departments.
- Every bill is checked by the accounts clerk and office superintendent counter checks before passing the bill.

Mobilization of funds:

- Our parent body supports with "Sindhu Mani" grant.
- The Philanthropists among the cardamom planters in bodinayakanur donate money in the form of endowments and the interest thereon is the source of finance for the institution.
- Revenue from leased property lends additional financial support.
- The interest from the fixed assets is another source of income.
- The contributions from the alumni and staff donations and endowments provide financial assistance to the institution.
- Other funding agencies like UGC, CSIR, DST, DRDO, and TNSCST provide funds through various schemes and research grants.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC plays a crucial role in assuring the college's quality of academic functioning. Every year, IQAC organized a Student Induction Program (SIP) for first-year students, which was entirely supported by management. SIP assists new students in adjusting to their new surroundings and determining their levels and learning styles. IQAC conducts Faculty Development Programs (FDP) and Staff Orientation Programs on a regular basis, bringing in a variety of outside speakers to establish the foundation for a faculty member's whole career with the College. IQAC also organizes workshops and seminars on quality development topics such as research methodology and the NAAC Accreditation Framework to enhance perspectives on quality measurement. Every year, the IQAC collects performance evaluation reports from both teaching and non-teaching staff.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations

and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

- The institution has planning and evaluation committee that continuously reviews the teaching, learning and evaluation process.
- The IQAC Co-ordinator is an Ex-officio member of this committee.
- The planning and evaluation committee aims at improving teaching methods and evaluation of internal assessment.
- The planning and evaluation committee in consultation with IQAC, recommends for academic audit (Internal and external) and green audit.
- The planning and evaluation committee guides the institution towards quality enhancement and sustenance.
- The Internal Quality Assurance Cell monitors all the quality parameters.
- It also acts as a documentation centre for all the activities of the college.
- The Internal Quality Assurance Cell of our college organizes workshops and seminars on quality related themes and staff enrichment programmes.
- It also ensures that the standards of excellence reflected in the vision and mission of the college are on the way to fulfillment.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

As a co-educational institution, the college engages in programmes that promote gender equity and awareness in all aspects of student life. The College provides a secure and safe environment for its students. Apart from curricular intervention, the formation of statutory bodies, such as the Internal Complaints Committee, Anti-Ragging and Grievance Cell, in accordance with UGC norms. The Women's Cell is responsible for organising programmes that educate students about gender equality. In this regard, the campus is free of ragging and harassment, and we are proud of our lack of such incidents in the past. Experts from the police and cyber crime departments have been invited to speak about social media abuse, cyber crimes, traffic rules, drug abuse, and women's safety. Our students are taught to download the "KAVALAN APP" and "AAROGYA SETU APP" to their smartphones. The College provides students with counselling services through their mentors. The college campus is monitored by 24/7 CCTV cameras and security guard. Entry and exit gate passes, visitors passes, and dedicated parking space all contribute to the college's safety measures.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The College takes a number of steps to ensure that everyone is treated with respect and tolerance, regardless of their cultural, regional, language, communal, socioeconomic, or other differences. The College constantly encourages students to organise and engage in various programmes in order to increase their awareness of cultural, geographical, linguistic, communal, and socioeconomic diversity. Every year, International women's day is celebrated to recognise women's social, economic, cultural, and political achievements. International Yoga Day is celebrated by practising yoga, asanas, and meditation to promote peace, harmony, happiness, and success on campus. Pongal, diwali, christmas and ramzan are joyfully celebrated to foster religious and communal tolerance.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The College is conducting a variety of events to instil principles for being responsible citizens, as expressed in the Indian Constitution. Values, rights, duties, and responsibilities are the constitutional obligations of citizens. The college establishes policies that reflect its core values. A distinct code of conduct is developed for students and staff. During the student induction programme, students are make aware of the anti-ragging policy and the prevention of sexual harassment. Every year, the college organizes seminars, quizzes, and a rally on Voter's Day to highlight their responsibility to vote for a strong democracy. Red Ribbon Club (RRC) organises blood donation camps every year. Every year on August 15, the College celebrate Independence Day. Every year on January 26th, "Republic Day" is celebrated to celebrate the adoption of the constitution. University offers a compulsory paper on Value Education to all the 2nd year students to create awareness and sensitizing the students and employees to obligation. The students learn how to cope up with others, show humaneness for the needy, exchange love with each other and grow morally as a responsible person.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

In order to amalgamate and embrace Indians' cultural and religious identities, the college celebrates/organizes different festivals and days of national and international significance with vitality and cheer. The institution aims to instil values and nationalism in its students by commemorating national and international festivals, events, and commemoration days in its own distinctive manner.

National festivals such as "Independence Day" and "Republic Day" are celebrated throughout the year at the college. The ceremony begins with flag hoisting and ends with a lasting impression on the students' national and patriotic feelings through the speaking of great invited personalities.

International women's day is celebrated to recognize the social, economic, cultural and political achievements of women. The International Yoga Day is also celebrated in the college every year.

In traditional uttar, the college celebrated the Pongal Festival of Giving Thanks to Nature and Farmers. Christmas and New Year's Eve are also celebrated at the campus. These events aim to bring people together and foster harmony, regardless of cultural or regional differences.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

```
Best Practice - I
```

1. Title of the practice

Student Induction Programme (SIP)

2. The Practice

Under the guidelines of the UGC quality Mandate, a Student Induction Programme (2020-2021) was held for newly admitted students of all undergraduate programmes September 07-11, 2020 with a particular focus on mentoring on Universal Human Values. Due to the pandemic, the student introduction programme was held online using the zoom application. The first session on all days had talks by eminent resource persons on topics ranging from literature, human values, anthropology, psychology and stress management. The second session on all days was focused on literature and professional English training. Students were divided into groups of 20-25 peers along with a mentor. The mentors were trained on teaching universal human values and on the conduct of mentoring sessions in a separate training of teachers. Best Practice - II (2020-2021) 1. Title of the practice Turn Green

2. The Practice

- Planting Saplings in the campus
- Rain water harvesting
- Waste management
- Plastic free campus
- Paperless Internal Communication system
- Conduct awareness rally
- Awareness Programme

3. Evidence of success

The college received "District Green Champion award" for the academic year 2020-2021.
