

## CPA College 50 Years of Excellence

Established on 19 July 1974 and affiliated with Madurai Kamaraj University, Cardamom Planters' Association (CPA) College commemorated its Golden Jubilee in September 2024. The institution operates on strictly non-communal and non-sectarian principles, with a focus on providing high-quality higher education to Rural student community. Beyond academic rigor, it emphasizes character building and civic responsibility to develop future leaders. The college marks a half-century legacy of driving social transformation and academic proficiency in the region.
